

CONSISTENT, RELIABLE PERFORMANCE

DULUX® ULTRA INTERIOR PAINT

- LEED V4 compliant & entry level MPI approvals
- Excellent hiding & coverage
- Great touch-up
- Zero VOC* & low odour

DULUX® ULTRA

DULUX® Ultra latex is a professional-quality, durable, interior paint formulated to meet the performance requirements of professional applicators. This self-priming low odour paint is ideal for painting occupied spaces or for any institutional applications such as schools, hospitals and nursing homes.

-  **LEED V4 compliant & entry level MPI approvals**
-  **Excellent hiding & coverage**
Saves money: less material required
-  **Great film build & sag resistance**
Resists runs & drips on the wall
-  **Great touch-up**
Reduces the amount of rework
