

# PAINT SOLUTIONS FOR RESIDENTIAL REPAINT PROJECTS

## DULUX® Paints One Brand. Infinite Solutions for Residential Repaint.

No matter if you're the Pro where business comes first and that business is paint, or the Artist concentrated on the creative transformation achieved with colour, or the Perfectionist who takes pride in workmanship, quality and expertise, have confidence in choosing *Dulux* as a partner in the success of your business.

Many areas in a home take on wear and tear resulting from high traffic, frequent cleaning, and moisture. From halls and doors to kitchens and bathrooms, you can assure your clients that our array of high-quality, durable Dulux products stand up to the wear and tear of daily life. With a focus on you, the painting professional, we provide the service, expertise and product solutions to turn your toughest challenges into simpler tasks.

## KEY CONSIDERATIONS FOR PRODUCT SELECTION

Selecting the right paint products for residential repaint projects is essential. Several key considerations need to be taken into account when selecting the appropriate paint products:

Areas where **touch-up** is of paramount importance to provide uniformity

Areas where **fast turnaround times** are needed to ensure minimum disruption

**High traffic areas** that take physical abuse like hallways and common areas

Areas where **zero- or low-VOC** and low-odour products are required

# RECOMMENDED PAINT SOLUTIONS FOR RESIDENTIAL REPAINT

## INTERIOR PAINTS

### DULUX® DIAMOND DISTINCTION™

- Excellent coverage and hiding
- Engineered for unprecedented washability
- Extreme stain repellency powered by award-winning Clean Surface Technology™

### DULUX® DIAMOND™

- Premium acrylic formula offers excellent adhesion to multiple substrates for a durable finish
- Cross-linking technology for stain and household chemical resistance
- Easy Flow Modifiers give the formula excellent flow and leveling, for a beautifully smooth finish

### DULUX® LIFEMASTER®

- Our highest quality zero VOC\* low-odour paint allows for early reentry
- Excellent adhesion to most surfaces for a durable finish

\*Colourants added to this base paint may increase VOC level significantly depending on colour choice.

## EXTERIOR PAINTS

### DULUX® DIAMOND EXTERIOR™

- Outstanding dirt and UV resistance
- Specifically formulated to resist mildew on the paint film
- High build for exceptional hide
- Low temperature application
- Quick dry 100% acrylic

### DULUX® WEATHERGUARD™

- 100% acrylic paint formulated to guard against extreme weather conditions
- Tough, durable finish
- Excellent gloss and colour retention
- Exceptional adhesion

### PERMA-CRETE™

- Full line of masonry coatings includes: fillers, sealers, primers, elastomers, textured coatings topcoats (vertical above-grade) and topcoats (horizontal capable)
